SIR,

Subject - Sanction for the revision of scales of pay of the Commerce teacher and the Pandit in the Municipal High School, Holenarsipur

I have the honour to state that the Deputy Director, Mysore, recommended in March 1942 that sanction might be accorded to the revision of the scales of pay of the Commerce teacher and the Pandit of the above said school from Rs 30-3-45 and Rs 30-2-40 to Rs 40-4-60 and Rs 30-3-45 respectively as resolved by the Managing Committee of the school and the Local Municipal Council A copy of the resolution passed by the Municipal Council at their meeting held on 28th Septr 1941 is submitted herewith

But this question could not be submitted earlier to Government for orders, as the management were too slow in furnishing certain additional information called for in that connection Both the Managing Committee and the Municipal Council have now passed resolutions again in the same matter to the effect that both the Commerce teacher and the Pandit may be deemed to have been put into their respective revised grades from 1st July 1941, actual payment of the enhanced salary in the higher grade being made from 1st July 1943 from which date provision

is reported to have been made in the budget for the purpose Copies of resolutions of both the bodies referred to above are submitted for perusal of Government The cost is proposed to be met from the provision made for the purpose in the school budget for the year 1943-44 As the year 1943-44 has come to a close, the cost has to be met from the allotmants made in the current year's budget of the school

The revision of the two scales as proposed is permissible, as the sanctioned scales in Municipal High Schools for Commerce Teachers and for Pandits are the same as those now proposed I recommend, therefore, that the proposal of the Managing Committee of the Municipal High School, Holenarsipur, supported by a resolution of the local Municipal Council to revise the scales of pay of the Commerce Teacher of the school from Rs 30-3-45 to Rs 40-4-60 and of the Pandit from Rs 30-2-40 to Rs 30-3-45, the present incumbents in both the posts being permitted to count service for increments in the revised grades from 1st July 1941 and allowing increased pay only from 1st July 1943 may be sanctioned, the cost being met from the budget of the school for 1944-45 and onwards

I have the honour to be,
